Gretchen and Mark – We will meet in Room 1310 tomorrow. When you arrive at EPA offices, pass through security and then take the middle elevator banks to the 13<sup>th</sup> floor. There is no receptionist on the 13<sup>th</sup> floor. After you exit the elevators, use the phone on the wall to dial my office: 3-4191. I will escort you to the conference room. Here is a brief outline of discussion topics:

1. Ground water yield test re: CERCLA removal action
2. Additional investigation on Wedron Silica and Technisand property
3. Legal discussion – draft RCRA Section 3013 order on consent

Attendees for EPA include: myself, Tom Kenney, Steve Faryan, Don Bussey, staff from ATSDR, and several staff from our Land and Chemicals Division.

Thanks Jacquie. FYI, both Norm Varney and I have 4 pm flights leaving Chicago, which would mean we both need to leave around 2 pm.

As with our last meeting, Norm is on the earliest flight he could catch into Chicago, which arrives at 9:30. Barring any flight delays, he will be there by 10:30 am.
